Essay

Below are some insightful questions to help get your essay started:

- 1 How was your life affected by IBD, colorectal cancer or your ostomy?
- 2 What is your ostomy-related medical history in chronological order of occurrences? You may indicate the length of illness, major hospitalizations, types of surgery, and present ostomy condition, if applicable.
- 3 How has your comeback positively affected your life, and the people around you?
- 4 Who or what helped you most in getting through your physical and emotional struggle?
- 5 What advice would you give someone struggling with IBD, colorectal cancer and/or facing ostomy surgery?
- 6 Do you have any specific dreams or aspirations you wish to accomplish in the near future?
- 7 Explain why we should select you as our National Ambassador for the Renaissance Great Comebacks™ Program?

If you wish, you may attach a photograph of yourself along with your application.
