

Ostomy Canada Society | Société Canadienne des Personnes Stomisées

Get your community involved! Support the National STOMA STROLL Awareness Walk on October 3, 2020

Ostomy Canada Society's vision is to be Canada's VOICE for people living with an ostomy. Our priorities are Support, Education, Collaboration and National Advocacy. Ostomy Canada Society's purpose is to help people with an ostomy, and their families, to live life to the fullest.

Your community's involvement in STOMA STROLL 2020 supports the following National Ostomy Canada initiatives:

- Advocacy (Disability Tax Credit, Access to NSWOCs, Ostomy reimbursement programs)
- Visitor Program
- Online Community
- Parents of Children with an Ostomy & Spouses and Significant Others (SASO)
- Awards Program (NSWOC and Post-secondary)
- National Office
- Community Outreach Support Services (COSS) and Ostomy Support Groups
- Liaise with National and International groups (NSWOCC, UOAA, OAA, FOWC, Crohn's and Colitis etc.)
- Liaise with industry and the Canadian medical community

Get involved in this important campaign by signing up at
